

Worship Committee News

It's been a long time since we've had a newsletter and there are quite a few subjects that I will touch on briefly in hopes of avoiding boredom.

In December, Patty and Howard offered their home for an open house. Fellowship and a good time was had by all. We also welcomed new members into our congregation. A Chatham welcome goes out to Amber, Barb and Judy. The worship committee also organized the Advent wreath lighting.

In January we discussed numerous subjects but the most important was an informational class for Acolyte training. We wanted to make sure the children understood that by lighting the candles they are bringing in the light to worship and by extinguishing them that they are carrying the light out into the world. We also arranged the kielbasa and sauerkraut dinner and Ash Wednesday soup and salad for February.

In February we discussed the Lenten evening worship service meal and decided the tithes received would go to Feeding Medina Co. but the pandemic put an end to not only those plans but future ones for our Easter programs and celebration.

Hopefully this newsletter will find you and your loved ones in good health. It may be a time of crisis, but do your best to keep a positive attitude!

Smile daily,

Greg

**In addition to all Greg wrote, I just want to encourage you all to either read the sermon via email or snail mail OR watch a video on our Facebook page or through Dropbox, and watch other services from the area too, if it will bring you a sense of peace.*
